Kingston upon Thames

Help@Home provides support with a range of practical tasks in and around the home

The service

- Cleaning
- Laundry and ironing
- Shopping
- Cooking
- Other household tasks
- Outings and appointments

How does it work?

We will arrange an initial home assessment at a convenient time for you, and then match you with an experienced Home Helper. You will also receive an information pack about our full range of services. All staff are trained and police checked and can make sure that you get the right help if your circumstances change.

What does it cost?

There is a straightforward hourly charge of £14 (plus any expenses such as petrol for shopping).
